Focus Class February 8, 6:00 - 7:30 pm

Restorative Yoga

Friday, February 8

This class will feature a sequence of yoga poses that will help rest and rejuvenate you. Yoga is not always about strength and flexibility it also has the power to bolster your well being by softening and opening tense areas, stimulating circulation and creating a feeling of contentment. Doing restorative poses regularly is an important part of a yoga practice because they balance out the more strenuous aspects of a regular routine. Six months of Iyengar yoga experience required.
